Section 1: Definition

A grievance is defined as a violation of a specific article or section of this Agreement.

An employee who is a member of the unit may present his/her grievance to the Board or its designated representative and to have the grievance adjusted without the intervention of the Association or its representatives, as long as the adjustment is not inconsistent with the terms of this Agreement. Grievances will be presented in the following steps:

Section 2: Procedure

Step One:

Informal-Building Level. Within eight (8) working days of time a grievance occurs, the grievant will present the grievance to his/her principal/supervisor at such time as mutually agreed upon by the employee grieving and the principal/supervisor. In case of action by either party, which is unknown at the time of such action, the action may be grieved when it is known. The grievant must provide proof that he/she had no knowledge of the action at the time it occurred. Within five (5) working days after presentation of the grievance, the principal/supervisor shall give his/her answer to the employee.

Step Two:

Formal-Superintendent Level. If the grievance is not resolved in Step One, the employee or the Association representative may, within five (5) working days of receipt of principal's/supervisor's answer, submit to the Superintendent a written "Official Grievance Form" (See Attachment B) signed by the employee. A copy shall be given to the principal involved at the same time. The "Official Grievance Form" shall name the employee involved, shall state the facts giving rise to the grievance, shall identify all the provisions of this Agreement violated by appropriate reference, shall state the contention of the employee and of the Association with respect to these provisions and shall indicate the relief requested.

The Superintendent or her designated representative shall give the employee or the Association representative an answer in writing no later than five (5) working days after receipt of the written grievance. If further investigation is needed, additional time may be allowed by mutual agreement of the Superintendent or her designated representative and the Association or employee.

Step Three:

Board Level. If the grievance is not resolved in Step Two, the employee or the Association shall, within five (5) working days, file the "Official Grievance Form" with the Chairman of the Board at the official Board office, and with a copy of the written answer rendered in Step Two above in the office of the Superintendent. The Superintendent and the Board shall meet with the employee or the Association within a reasonable time not to exceed five (5) working days unless a longer time is mutually agreed upon between the parties, after unit working hours, to discuss the grievance.

Step Four:

Arbitration Level. If a satisfactory disposition of the grievance is not made as a result of the meeting provided for in Step Three above, the Association shall have the right to appeal the dispute to an impartial arbitrator under and in accordance with the rules prescribed by the American Arbitration Association and provisions of this Agreement, which proceedings shall be initiated by filing with the

Board or Association, as the case may be, a Notice of Arbitration.

The Notice of Arbitration shall be filed within twenty (20) calendar days after the date of the meeting provided in Step Three above. The Notice of Arbitration shall include a statement setting forth precisely the issue to be decided by the arbitrator and the specific article or provisions of this Agreement involved.

The arbitrator shall issue his decision not later than thirty (30) calendar days from the date of the closing of the hearing, or if oral hearing has been waived, then from the date of transmitting the final statement and proofs to the arbitrator. The decision of the arbitrator shall be in writing and shall set forth the arbitrator's opinion and conclusion on the issue submitted. The arbitrator shall limit his decision strictly to the application and interpretation of the provisions of this agreement.

Section 3: Powers of the Arbitrator

It shall be the function of the Arbitrator, after due hearing, to make a decision in cases of violations of the specific articles and sections of this Agreement.

The decision of the Arbitrator shall be final and binding on the Association, its members, the employees involved, and the Board.

Section 4: Claims for Back Pay

- A. All grievances whereby pay is withheld must be filed in writing six (6) days from the time the violation was to have occurred (date of occurrence defined as the pay date money withheld). The Board shall not be required to pay back wages more than six (6) days prior to the date a written grievance is filed.
 - 1. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any unemployment or other compensation that he/she may have received from any source during the period of the back pay.
 - 2. No decision in any one case shall require a retroactive wage adjustment in any other case.
- B. Grievances will be processed under the terms of the agreement in existence on the date of the filing the grievance. Grievances may be expedited by mutual consent of the parties so that the grievance steps may be exhausted prior to the end of the fiscal year or as soon thereafter as possible.
- C. The fact that the parties have considered the grievance in the preceding steps of the grievance shall not constitute a waiver or jurisdictional limitations upon the Arbitrator in this Agreement.

Section 5: Arbitrator's Fees and Expenses

The arbitrator's fees and expenses shall be borne equally by the parties to the dispute; all other costs and expenses shall be borne by the party incurring same, and neither party shall be responsible for the expense of witnesses called by the other party.

Section 6: Grievance Time Limits

Any grievance not advanced to the next step by the Association or the employee within the

time limit in that step, or if no time limit is specified within five (5) working days shall be deemed abandoned. Time limits may be extended by mutual agreement of the Board and the Association or by mutual agreement of the Board and the employee. The extension must be in writing and such date or time as mutually agreed upon shall prevail.
