MEMORANDUM

February 5, 2010

TO: School Board Chairmen
District School Superintendents
School Finance Officers

FROM: Georgia "Joy" Bowen, President
Joie Cadle, Treasurer
Wayne Blanton, Executive Director
Florida School Boards Association

The Florida School Boards Association and local school districts have made tremendous accomplishments during the past year by working together to improve education in our State. FSBA will continue to be your "voice of education" throughout our great state.

- We will continue to work to mitigate the budget crisis by working with local, state and federal leaders to provide adequate education funding for Florida's school districts.
- FSBA has entered numerous statewide lawsuits on behalf of all local school districts. We have been successful on 100% of these cases during the past year.
- Our daily legislative update on the FSBA website is one of your most valuable tools for keeping abreast of current events.
- Our weekly web cast during the legislative session, gives you an "up-close" look at the most current issues facing all of us.
- Our leadership training is consistently judged to be the best in the country, and we are always available for you and your district.
- Our staff answers and returns an average of 60 phone calls per day to assist school board members, superintendents, and district staff with technical, legal, and legislative information.

Enclosed is the FSBA dues statement. The 2010-2011 dues will remain the same as for the previous three years. We also anticipate a freeze on dues for several more years.

FSBA will continue to provide a variety of valuable services to local school board members. These services include publications, newsletters, research, on-site and regional workshops and training sessions, state educational conferences, and representing your views before the State Board of Education, the Department of Education, the Florida Legislature, Congress, and other organizations interested in public education. Additionally, FSBA provides all members of our Association with a \$100,000 accidental death and dismemberment insurance policy.

FSBA would like to take this opportunity to thank the school districts for their support during the past year. We have accomplished a great deal in Florida with your assistance and we look forward to a continued, close working relationship with all school districts. Please feel free to call us if you have any questions or need assistance.
