

## CHAPTER 1.00 - DISTRICT PHILOSOPHY

1.01

### **VISION**

#### **POLICY:**

Hamilton District Schools prepare students for success in a fast-paced, ever-changing environment. Our vision for the future is based on the premise that students can learn, and learning is a lifelong process. Each student, regardless of sex, social class, ethnic or family background, has high expectations and equal opportunity for success in a high-choice, dynamic learning environment.

As the future unfolds, the District reflects professionalism, honesty and trust, moral consciousness, shared decision making, creativity, and community involvement. The District demonstrates concern for all students, families, teachers and support staff while nurturing a positive environment for learning and working.

Our District vision is fulfilled as all stakeholders recognize and accept their responsibilities for working together and building a better future.

Toward this end, the District is developing its human resources, particularly its school leaders, who have an important influence over the lives of students and the future of our state and country.
