EXTRACURRICULAR PROGRAM

POLICY:

Interscholastic extracurricular activities shall be defined as a planned middle and secondary school-sponsored competitive activity which exists or is performed between students representing schools, school districts, regions, or the state. The extracurricular program shall be considered an essential part of the total school program and shall be under the principal's direction and general supervision. Any school which allows an ineligible student to participate shall be subject to the penalties set forth by the Bylaws of the Florida High school Activities Association, Inc.
- (2) All extracurricular activities shall be self-supporting, when possible. Students shall not be excluded from participating in activities for lack of money for dues, materials, or uniforms. Provided, however, this does not apply to charging admission for students who are spectators of extracurricular activities.
- (3) Funds derived from extracurricular activities shall be processed according to the District's accounting procedures.
- (4) Students may be suspended from extracurricular activities based on procedures established by the Superintendent.
