

# **FIRST RESPONDER**

## **RECOGNITION LUNCH PROGRAM**

**Calling All First Responders!** The Hamilton County School District has been privileged to provide you with lunches over the past few years. This initiative has been our way of saying “Thank You” for your contributions to our community and for your willingness to mentor our students. Although the COVID pandemic has delayed our continuation of this program, we know that it is just a matter of time before we experience a sense of normalcy again and are able to continue this great partnership. Please contact Marjorie Cooks at 792-7813 or [marjorie.cooks@hamiltonfl.com](mailto:marjorie.cooks@hamiltonfl.com) if you have any questions. We really appreciate all that you do and look forward to seeing you soon!
