Subject Area Exam/Add-On Reimbursement Application

For

Out of Field Teachers Meeting Highly Qualified Requirements

2021-2022

The Hamilton County School District has allocated limited federal entitlement funds to pay for a Subject Area Exam (SAE) reimbursement program. The current reimbursement amounts are \$37.50/\$75/\$112.50/\$150 (retakes). A program evaluation will be conducted at the end of each school year to determine the feasibility of continuation. This program will reimburse for passing scores only. (This includes passing a retake) Reimbursements will not be made until the teacher has completed the add-on process of the subject area to their certificate.

For consideration of reimbursement for SAE, complete all information requested below.
